

## COMPLETED RENOVATION PROJECTS

Dasher Golf Design

- **Southern Trace Country Club** (18 holes) — **Shreveport, Louisiana** 1997  
Revised grading and drainage on three holes to reduce incidence of flooding.  
Re-contoured and resurfaced 18 greens and practice green.
- **Olde Atlanta Golf Club** (18 holes) — **Shakerag, Georgia** 1997  
Developed plans and oversaw construction of new short game practice area.
- **Oakridge** (18 holes) — **Skidaway Island, Georgia** 1998  
Practice area refinements including creation of new teaching facility.
- **Marshwood** (18 holes) — **Skidaway Island, Georgia** 1998  
Master Plan for improvements.
- **The Legacy Club at Alaqua Lakes** (18 holes) — **Longwood, FL** 2003  
Practice area refinements including creation of new short game practice area.
- **Orange Lake Resort** (27 holes) — **Kissimmee, Florida** 2006

Complete renovation of the twenty-seven hole Joe Lee resort course into a nine hole executive and 18 hole regulation as part of an overall upgrade in resort amenities.

Orange Lake was a finalist for Golf Inc. Magazine's Renovation of the Year award for the year 2006.

## COMPLETED RENOVATION PROJECTS

Dasher Golf Design continued

- **Dubsdread Golf Club** (18 holes) — **Orlando, Florida** 2008

As part of a major stormwater retrofit project, complete renovation of historic eighty year old Tom Bendelow designed course owned by the City of Orlando. Project has garnered multiple awards including: International Network of Golf Industry Honor Award for Golf Course Architecture; Central Florida Engineers Week Magazine Project of the Year; Florida Stormwater Association Outstanding Achievement Award; and Orlando Magazine's Best Public Golf Course.

- **The Golf Club @ Cypress Head** (18 holes) — **Port Orange, FL** 2015  
Stripping and replacing 8 inches of greensmix, regressing all greens, refurbishing all bunkers, and improving practice facility.
- **Harmony Golf Preserve** (18 holes) — **Harmony, FL** 2016

Reduction in both the number and severity of unsustainable bunkers in accordance with the owners desire to create a user friendly golf experience within a planned age restricted community. The remaining bunkers can now be cost effectively hand raked insuring high quality and long life.

- **New Smyrna Beach Golf Club** (18 holes) **New Smyrna Beach, FL** 2016  
Rebuilt greens to increase cupping area, reshaped bunkers to a more traditional style on this historic Donald Ross Course.
